

**REMARKS**

In response to the Notice of Non-Compliant Amendment mailed June 1, 2005, Applicant has enclosed the replacement drawing with the required designation in the upper right hand corner as requested. Upon approval, and once the application has been allowed by the Examiner, the drawing amendment will be incorporated to the formal drawings by means of the current Patent and Trademark Office practice in that regard. It is now believed that the amendment originally mailed on May 16, 2005, is now in compliance. As such, it is respectfully requested that a Notice of Allowance be duly issued.

Respectfully submitted,
